

STRUCTURED TECHNOLOGY LLC

COMPANY BIO

Structured Technology, LLC, with 28 years of experience, is a trusted provider of business IT support, offering a full range of technology services designed to streamline operations and enhance productivity. Specializing in telecom, network systems, security, and IT infrastructure, we help businesses improve efficiency and safeguard their data with cutting-edge solutions. Whether it's upgrading outdated systems, installing new networks, or managing day-to-day IT needs, our experienced team delivers reliable, hassle-free support to drive your business forward.

CORE COMPETENCIES

- ★ **Telecommunications:** Design and implementation of voice and data systems for businesses.
- ★ **Fiber Optics:** Fiber optic cabling and infrastructure solutions.
- ★ **Access Control:** Installation and management of access control panels and security systems.
- ★ **CCTV Security:** Advanced security camera systems for monitoring and surveillance.
- ★ **Network Engineering:** Network design, setup, and optimization for high-performance systems.
- ★ **Structured Cabling:** Installation and upgrading of network cabling for seamless connectivity.
- ★ **Audio/Video Solutions:** Design and implementation of business audio and video systems.
- ★ **Cyber Security:** Solutions to protect your business from online threats and data breaches.

DIFFERENTIATORS

- ✓ **Experienced Technicians:** All technicians have at least 5 years of hands-on experience, ensuring expertise and reliable service.
- ✓ **Turnkey Services:** We handle all aspects of your project in-house, from design to installation, with no subcontractors involved.
- ✓ **Comprehensive Warranty:** Offering industry-leading warranties on all installations and services.
- ✓ **Tailored Solutions:** We provide personalized recommendations and solutions based on your specific business needs.
- ✓ **Proven Track Record:** With over 18 years of experience, we have consistently delivered successful projects across businesses in AL.
